REFUND POLICY FOR STUDENTS CALLED TO ACTIVE MILITARY SERVICE

The verbiage in this section of the School Catalog (page 64) has been slightly revised as listed below.

2. A grade of Military (M) with the designation "withdrawn-military" will be assigned for the current course the student is attending in the program. The student retains the right to reenroll in the program, or a substantially equivalent program if that program is no longer available, not later than one year from the date the student is discharged from active military duty, without payment of additional tuition, fees, or other charges for the program other than any previously unpaid balance of the original tuition, fees, and charges for books in the program.

GRADING SYSTEM

There has been a new grade symbol added to the grading system in the School Catalog as listed below for the Grades & Grading System section (page 37-38) and the Qualitative Standards section of the SAP Policy (page 51-52).

Letter(s)	Term	Grade Point Value	Description
M	Military	N/A	This is assigned when a student is unable to complete a course when called into Active Military Service. (*Orders may be required.) This course grade will not be included in the SAP calculation.
